

ENJOY YOUR OWN POOL WITH NORSUP'S EXCLUSIVE POOL DESIGNS

The Norsup range opens up a myriad of opportunities to create the perfect pool for you . Norsup pools are designed to suit your needs and can be controlled from anywhere in the world thanks to our "NorsupOne" smart pool technology. You can relax knowing that your pool is safe and well maintained without the need for tedious testing. In addition to that, our Norsup pools can be installed much quicker than traditional methods so you can enjoy your new swimming pool in no time at all.

NORSUP CLEANING ROBOTS

The Norsup Cyclone cleaning robots are designed to clean residential in-ground pools of all sizes and surfaces. Thanks to the patented AquaSmart Gyro System, the Norsup Cyclone will automatically brush, vacuum and micro-filter dirt, debris and contaminants from the pool floor, walls and waterline in a synchronised pattern helping to prevent the cable from tangling.

Cleans all surfaces

Painted stoneware liner ceramic concrete

Top loading filter baskets

Anti-Swivel rotary joint

Powerful motor
